THE TRACK

"Forest Edge Kart Club is situated on the A303 in Barton Stacey.

The circuit is situated on MOD land so the FEKC team of Marshalls and Officials build the track with military organisation at the start of the race weekend and equally pack the infrastructure away at the end of the event.

The circuit consists of fast straights but technical corner complexes, drivers love the combination of speed and skill as they compete on this amazing track."

MotorsportTiming.co.uk

How To Find Us:

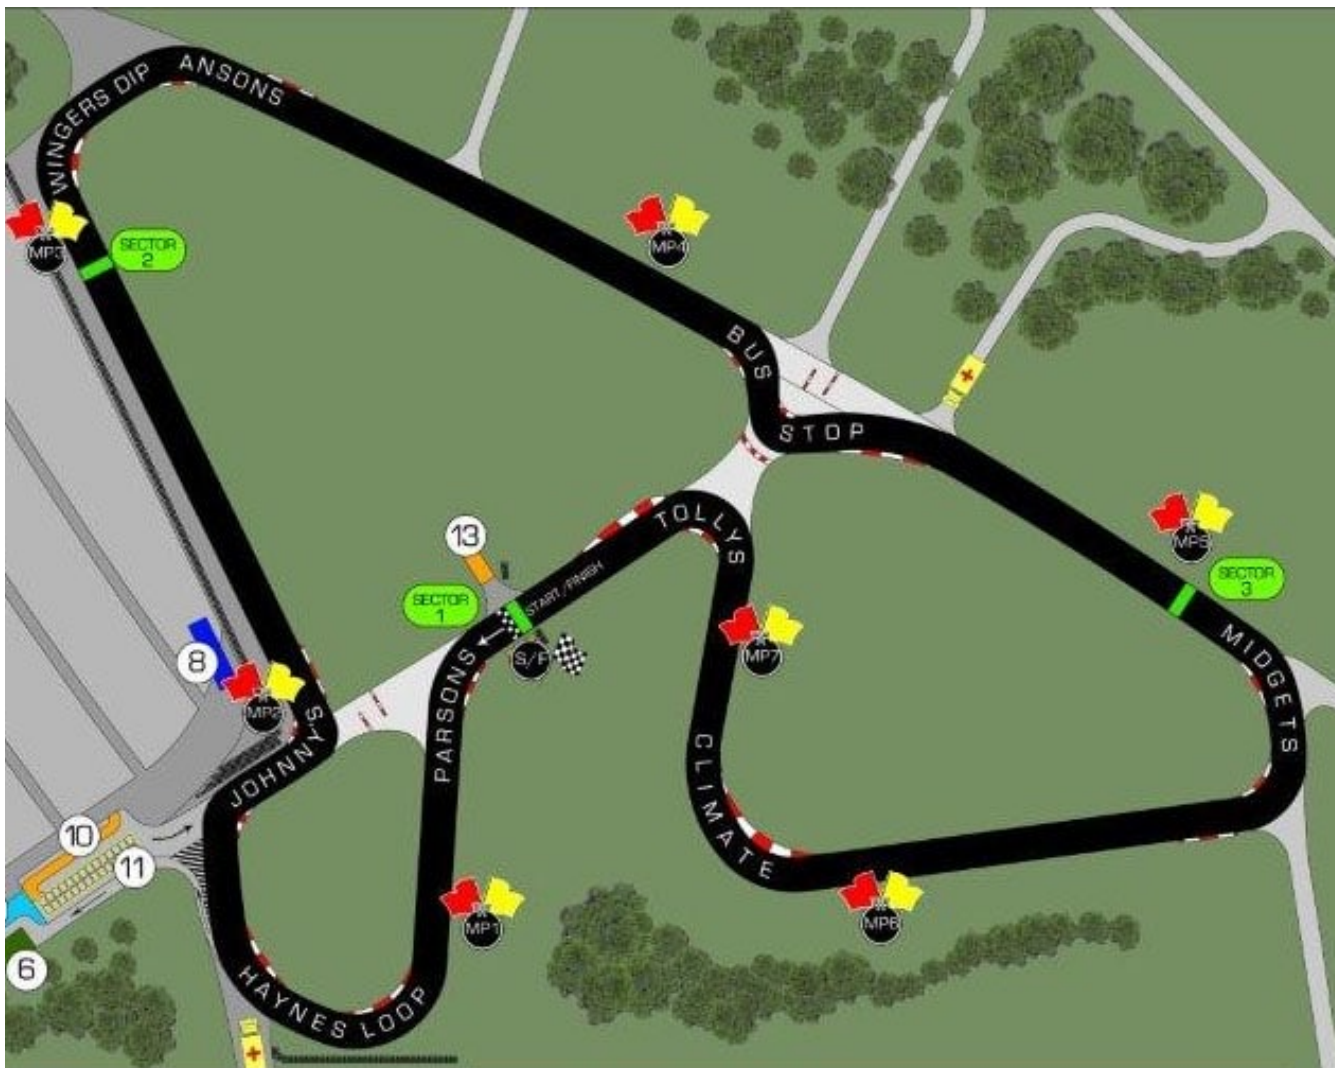

Forest Edge Kart Club, Barton Stacey, Winchester SO21 3BF
